[Top CD Rates From Arkansas 2012](#)

In a way, selecting a CD rate is similar to searching for health insurance plans. Rates differ from state to state, and some states are able to come in well over the national average on savings products, some are on par with the national average, and some sink way below it. We've sorted through the...

[Top 5 New Checking Account Promotions for 2012](#)

2012 has begun with a good measure of prizes and or cash bonuses for customers opening up new checking accounts. At the end of 2010 things looked bad for the big banks and their checking account products. Following the threat and then prompt recall of proposed fees from Bank of America, Citibank, and Wells Fargo...
